Online Orders and Registration

In an effort to decrease mailing costs for our members and make our registration process simpler, USA Jump Rope Federation has set up online options for competitor registration and ordering for 2020 Nationals!

Links are below for online registration and orders.

Please keep in mind, when registering and submitting orders, your email address will be tied to your submission on that specific form. So, when you are ready to submit your registration and/or order as a team, family or individual, make sure to include all information on the submission. Once your email address is used to submit an order/registration for that form, you will not be allowed to place another order or make a change to the existing order.

For example, you order only a Nationals T-shirt and submit your order, but a week later you decide to order a Nationals Tack Pin. The order will not go through because that form will show that your email address has already submitted an order. If you do need to add orders or registrations, you can use a different email address or contact the USAJRF Office at info@usajumprope.org or 936-295-3332 and we can help.
