Video Upload Directions

From your computer:

1. Go to www.youtube.com and click the Sign In button at the top right. If you do not have a Google Account, you'll need to create one - click the "Create an account" near the bottom.
2. Sign in using your Google email/password.
3. Click the "Upload" button at the top of the page (just right of center).
4. Inside the "Select files to upload", first pull down on the Privacy select box and choose Unlisted.
5. Select one of your videos to upload (or drag the files to the window).
6. Give it a Title - preferably the athlete name followed by the event.
7. Verify that the video has uploaded (you should see a message at the top saying "Upload complete", and that it has been saved (bottom right - should say "All changes saved.").
8. Repeat steps 3-7 to upload your remaining video.
9. Click the "Video Manager" button. You should now see your video listed.
10. Click on the first video - you should see it play. Make sure it looks and sounds as you expect. If you are satisfied, click the "Share" link under the video, copy the URL listed and paste it in to the field in the score submission.
11. Click the "Video manager" button under your video and repeat step #10 for your remaining videos.

From your iPhone:

1. If you don't already have a Google account, go through Step #1 from "Uploading from a Computer" above.
2. If you do not already have it, go to the App Store and download the free "YouTube Capture" app.
3. Start up the app and sign in using your Google user id & password.
4. Click "ALL VIDEOS" so you can access the videos from your library.
5. Click "Import videos from Photo Library" and follow the directions to give the app access to your Camera Roll library.
6. Select your first video. Click the right arrow at the top to go to the upload screen.
7. Change the privacy to "Unlisted"(bottom left)
8. Give your video a title - preferably your name followed by the event name.
9. Click "UPLOAD" at the top right.
10. After the upload has completed, click the video again to go to the "Info and Settings" screen. Click on the forward icon next to the URL under the video.
11. Select "Share"
12. Copy the URL listed and past it in to the field in the score submission.
13. Click the < VIDEOS link at the top left.
14. Repeat steps 6-13 for your remaining videos.
